

VISION

The Alaska Department of Education & Early Development is committed to develop, maintain and continuously improve a comprehensive, quality system to provide resources, data and world class support services that inspire quality learning for all.

CORE BELIEFS AND VALUES

- 1 Effective internal and external communication is a critical component to develop, maintain, and refine a quality system.
- 2 EED will use the expertise, knowledge, and experience of internal and external stakeholders in support of life-long learners and communities.
- 3 Practices that lead to effective education for all are recognized, supported, implemented, and shared.
- 4 Data from results and quality information about processes are used in decision-making.
- 5 Interactive relationships and partnerships are established with all stakeholders to support a learner centered educational system.
- 6 Alaska Reading, Writing, and Math Standards are fundamental skills necessary for all other learning, enabling students to reach their full potential.
- 7 EED collects, organizes, preserves, and disseminates resources for informational, educational, and research purposes to support life long learning.
- 8 EED provides statewide leadership that supports and reflects the cultures in Alaska.
- 9 EED recognizes and values individual employee and team expertise, providing continuous learning opportunities in a fair and consistent manner.
- 10 EED assists stakeholders in meeting federal and state statutes and regulations in a manner that maintains the integrity of the shared visions of both EED and the stakeholders.

STAKEHOLDERS are defined as: parents, students, school board members, legislators, community, business partners, the State Board and Department of Education & Early Development, school districts, municipalities, and other organizations or entities.
